Highlighted Features of all FileGenius pricing options:

- Turnkey solution; we host it, manage it, do all the work. You just use it.
- Easy to use file and folder view AND direct, email transfer features
- Unlimited phone and email support, unconditional.
- No limit on file size, system handles file sizes up to 2GB
- Unlimited number of users, employees or associates.
- Unlimited number of private user groups, each branded like a separate site for each customer, client, individual, vendor, associate, whomever you like.
- Unlimited bandwidth (no tricks here, like limits on download bandwidth per file or unlimited really means "unlimited amount you can buy").
- Unlimited bandwidth that is NOT throttled as you start to use more and more. It's not unlimited if it's rationed.
- Full, complete white label look and feel, not just branded. No mention of FileGenius™, anywhere, not even in the site address.
- Full SSL encryption and all security measures. There is no compromise on security.
