- The Developer will provide support to the Subscriber (end users and subscribers of the site) of the Product. Developer will provide any additional technical information, current maintenance documentation or phone assistance that may be necessary to enable the Reseller to affect sale of the Product.

3. Commissions, Reseller Revenue

- Developer will pay Reseller a commission of 22% of all gross site subscription receipts (in USD) received by the Developer from the Reseller's accepted and confirmed referred Subscriber for a period of two years from the date of the original site subscription.
- In the event of a subscription term 6 months or longer, the Developer will pay the applicable commission (in USD) to the Reseller, on or before 30 days from the date that the subscription purchase is confirmed by way of a check clearing or any type of electronic payment confirmed as a final purchase by the issuing or processing authority. Commissions for renewable one month subscriptions will accrue and be payable once per quarter.
- Should the Subscriber cancel the subscription prior to the expiration of the indicated original term, the Reseller shall immediately owe the Developer a refund of the commission, the amount to be commensurate with the final, total sum collected from the Subscriber, from the subscription's inception to its cancellation.
- The Reseller must confirm by way of the referred, potential subscriber, that the Reseller did indeed make the referral and that the trial or potential subscriber was not previously a Subscriber of the Product, currently on a trial subscription or previous trial subscription, unbeknownst to the Reseller. Once 90 consecutive days have transpired from the end of the trial subscription to a new trial or purchased subscription the Reseller must again confirm involvement with the new Subscriber.
